### THE ELECTIONS.

NEW YORK.

NEW YORK, Nov. 8.—The Brooklyn Union this morning concedes that the city has gone democratic, but stoutly maintains that it was carried by dishonest counting as the returns were held back in several Democratic districts. Powell, democrat, is elected Mayor by 13,-000 over Booth and 10.000 over both Booth and Kalbfieisch. The State democratic ticket in Brooklyn is elected by 10,000 majority. Brooklyn is the slowest city in the county from which to obtain complete and reliable re-

Tammany Hall was not opened last night, but Isaiah Rynders addressed a small street assemblage from the steps, culogizing the reformers and stating that Tammany was not a

democratic party. The World says: 'Returns from this State, which were unusually backward this year, indicate the election of the Republican ticket by at least 20,000 majority. As it never rains but it pours the majority may be even more than this. We have at least the State Legislature and the Republicans will not fall far short of a two thirds vote in either House. The Tammany local ticket was roughly handled by the voters. Ledwith was nowhere. Sigel is elected by about 26000 majority over Shandley for Register. Bradley, Norton, and Genet will not visit Albany officially this year. Even Tweed, with no opposition worth mentioning, polled a light vote, compared with those he formerly received.

Only one Senator, Tweed, of the Tammany nominees, is elected. In the Assembly districts three Tammanvites are elected against nineteen republicans and reform democrats. The reform tickets for county officers and for Aldermen were successful by large majorities. Sigel, (Reform,) for Register, has not less than 25000 majority. Barrett, for the Supreme Court, is elected over Ledwith, the Tammany candidate,

by a heavy majority.

The Tribune says: "There never was so quiet so full or so fair an election as yesterday.

New YORK, Nov. 8.—One. Victoria. Woodhull and Tennie C. Claffin offered their votes yesterday, but were refused the previlege. Mrs. Woodhull protests in a lengthy eard. The weather is very severe in some of the mining districts. In Big Cottonwood to day the snow was four feet deep with fearful drifts As high as thirty dollars was offered to carry sixty pounds of privisions up the Canon, but no teamsters could be found to attempt the passage. It is feared the miners suffer for

want of food. General C. C. Augur and family arrived yesterday. The General is said to be acting under direct instructions from the President. He leaves to-morrow evening for Washington.
